

# KINGS COUNTY

## HOUSING MARKET

Given King County housing dataset includes

- House prices
- Homes sold between May 2014 to May 2015
- And much more

What can effect your house price?

- Location
- Grade
- Condition
- Renovated

The better the grade of your house the higher the house price

House Renovation improves  
your house price on average  
of \$100,000 and more
